Otte Wins Senior Club Championship

The weather was cool during the week leading up to the 2011 Sr. Club Championship. A soft fairway was the last thing the old guys needed for the Sr. Club C. Luckily, the weather dried up and warmed up for the old bones to swing freely on the weekend of July 23-24.

Chang Wook Kim, coming off the IRONMAN win, shot a nice round of 75 and was the Day 1 leader with a three-stroke lead over new member **Will Otte**. Kim also had a five-stroke lead over defending champ **Al Clark** and the 'new senior kid on the block' **Pat Devlin**. **Peter Shin** was six back at 84.

Day 2 was a glorious summer day. FINALLY! And the battle was on for the 2011 Sr. Club Champion Title. We all know Al has struggled with his game all year. Seeing his handicap going up and down like a yo-yo. Could the long Daly-like swing have finally caught up to him? And then there is Wilf, who has made an impact the day he played his first men's club event. Who is this guy? And who can

forget Chang Wook Kim, carving an 85 to win at IRONMAN.

Wilf started Day 2 shaky with a bogie on #1. He followed with the dreaded "pop-up-to-shortstop-drive" on #2. His playing partners started to hide sharp objects from his sight. Thoughts of a WD briefly crossed his mind, but with kind encouraging words from his playing partners Wilf marched on and started to right the ship.

When the last putt of drained on Sunday, Wilf Otte stormed back with a 1-under 71 (a seven-shot improvement over Day 1!!) to win the 2011 Sr. Men's Club Championship. Well Done! Wilf! With this win, he also has put his name into the hat as an editor's favorite to win the Club Championship as well.

Chang Wook Kim, did not fair as well on Sunday, and went backwards by 4 shots with a respectable 79. Both Al Clark and Pat Devlin did not improve on the second day either.

The big move on Sunday was made by **Serge Barabe**. Serge was

able to improve on his Day 1 score by 13 strokes – very impressive.

As for the NET side, **Thomas Chen** was leading after Day 1 with a sparkling Net 68. Followed by Chang Wook Kim at Net 69, and **Bruce Ford**, and **Mike Shin** at Net 70.

But Thomas couldn't repeat the magic on Day 2. Thomas Chen ballooned to Net 91 and opened the door for others in contention for the Net prizes.

Mike Shin took the bull by the horns and scored an amazing Net 64. **Tom Tsuchiya** and **Serge Barabe** also pulled up their socks and scored Net 65's on Day 2.

But at the end of the day, it was Mike Shin who walked away the low Net honour.

Thanks everyone who played in the Sr. Club C. I know... we will all be 55 one day!!!

Congratulations to Wilf Otte, 2011 Senior Club Champion.

Club Championship Aug 20-21

In an attempt to allow for some wiggle room if the weather does not cooperate, we have moved the Club Championship back to August.

The 2011 Men's Club Championship will be held on the weekend of Aug 20-21. The entry fee is \$35 which will include breakfast before each round, and beer & burger after each round. The area behind the 18th green will be set up for scoring and for you to share a couple of cold ones with your fellow competitors.

The first tee-time will start at 8AM, and we will go off 1st and 10th tee for both days. This will allow the groups to finish closer together so that you can hang around and see the results both days. We will have a few incentives to keep you in the game – such as low round gross/net per flight per day? Or most improved?

Jong Phil Lee will be defending his 2010 title. Newly crowned Sr. Club Champion **Wilf Otte** will also be in for a rare Timmy – AKA a Double Double. We are hoping past Champs **Brook Scott**, **Al Clark**, **Peter Knill** and **Rich Wardroper** will put a stop to the Double-Double! This year's Club Champion will

receive a trophy and a Golf bag. There will be personal trophy for overall low net winner as well.

Prize money will be given out to the Top 5 Low Gross and ties; overall Low Net; and Top 3 low nets for 3 handicap flights... and many more.. Look for the posters!!! Sign up in the pro-shop

Kim Wins IRONMAN

The days leading up to the 2011 edition of the IRONMAN were cool and wet. The organizers had visions of having to slough through a soggy 7,100+ yard course – a real IRONMAN test of a different kind.

Luckily, the weather turned warm and dry, and the course dried up sufficiently to allow for moderate roll for the event. (see page 2 – Kim Wins..)

Kim Wins...

(...continue from page 1.)

38 players took on the challenge and played the LINKS course from the Blacks in this year's version of the IRONMAN! This year's tough pins were set by the Pro-Shop. Also this year, **Tom "one-good-shoulder" Whittle** and **Brennan Fritz** from the golf shop stepped up to take the spots in the Beat the Pro betting.

The pins were TOUGH, and the scores reflected the conditions. Normally, a score under 80 will almost guarantee a win. But 85 was the winning score this year. Congratulations to **Chang Woo Kim on winning the 2011 IRONMAN!**

As for our *pro-shop boys*, whom I hope never get into a *bizarre love triangle... get it??* ☺, **Tom Whittle** shot an understanding 99, **Brennan Fritz** shot 90. Here are the results.

Swan-e-set Boyz Clean Up!

Staff Reporter – Al Clark

On June 27th the B.C. Sports Hall of Fame hosted their annual Charity Golf Tournament at Morgan Creek Golf Course. The weather wasn't great for the start so the "Brellas" went up fast.

Ron Jones, a former inductee of the "Hall", put together an "A Team" of **Al Clark, Pat Devlin, Dennis Jorgenson** and himself.

Right from the get-go, we birdied the first 8 holes in the shamble format. We kept the pressure up and ending the round at 15 under; just squeaking past the 2nd place team at 14 under!

It was a real "ham & egg" show with everybody contributing on different holes. Even the "weak link", Pat Devlin, came through on a couple holes!

The prize for finishing 1st was a round for 4 at Furry Creek Golf & Country Club. Since Ron put the team together and also paid for all our entries, it was fitting that he got the prize.

I'd like to thank Ron Jones from the three of us for a great day of golf and dinner. A good time was had by everybody for such a worthwhile cause.
